## ~ DIRECTOR'S NOTE ~

Welcome to The Little Mermaid! It's been over two years since we've been able to stage a full musical without limitations and restrictions, and we're so excited to be back! There are over 80 students involved in this production between the cast, crew, and pit orchestra, and that's not including the dozens of students who helped every Tuesday after school with tech. It's been such a joy getting to meet so many new students and to see them grow throughout the rehearsal process. There's a special magic that only occurs when you are apart of such a spectacular company of artists, and it's so wonderful to have that magic fill the theater of Potomac Falls Once again. Enjoy the show!
